

## CLAIMS

0014 We would like to request to cancel original claims 1-4 and request to submit new claims numbered 5-7 as detailed below:

What is claimed by us is:

5. [New] Unique and original methods of play/use and rules of play/use for a bean bag, projectile tossing game apparatus for use by one or more players, said methods and rules comprising of:

Five (5) individually unique methods of play/scoring/rules as detailed within the DETAILED DESCRIPTION OF INVENTION SECTION (SECTION # 0005) of our application and titled:

- i.) Cincinnati Style;
  - ii.) West-Side Style;
  - iii.) East-Side Style;
  - iv.) Old-School Style;
  - v.) and Beach Style.
6. [New] The methods of use/play as defined in claim 1 are the invention, and are to be unique, original, or improved methods for using our projectile tossing game apparatus, as described in this application and shown in attached drawings, and for use with previously known apparatus; such apparatus have been disclosed in: U.S. Patent No. 5,056,796 to Conville Oct., 1991 entitled Self Contained Bag Tossing Game; U.S. Patent Nos. 3,628,793; 4,943,065; 4,961,586; 5,165,695; 5,871,216; 6,244,598; and 5,201,527.
7. [New] The methods of use/play as defined in claim 2 are the only claimed aspect, we do not intend to claim the apparatus itself, but simply these specific intended uses for the described projectile tossing game apparatus.
